(b) There shall be a public art commission which shall administer the MPAP by: (i) working with the division of capital asset management and maintenance, project managers and contractors to identify opportunities and locations for art; (ii) reviewing each project to ensure the relevance of and support for the public art, including engaging the relevant local site users and community stakeholders for their input; (iii) making curatorial decisions on a project-by-project basis; (iv) establishing partnerships and relationships as relevant to the program and projects with members of the commonwealth's artist community, including artists, cultural institutions, arts organizations and educational institutions; (v) consulting with local art and cultural commissions; (vi) promoting and encouraging public art; (vii) promoting public access to and education with respect to art installations in public facilities; (viii) ensuring an inventory of and maintenance plan for the public art collection; and (ix) coordinating with the executive department to ensure compliance with and participation in the MPAP. (c) The commission shall consist of: the commissioner of capital asset management and maintenance or a designee who shall serve as chair; the executive director of the Massachusetts cultural council or a designee; 2 persons to be appointed by the president of the Massachusetts College of Art and Design, each of whom shall have a background in public art or architecture; and 5 persons to be appointed by the governor, 1 of whom shall have municipal government experience and who shall be selected from a list of 3 individuals nominated by the Massachusetts Municipal Association, Inc., 1 of whom shall be a project designer with experience in the creation and installation of public art, 1 of whom shall be an artist or representative from a nonprofit or community organization associated with the arts who shall be selected from a list of 3 individuals nominated by the executive director of the Massachusetts cultural council and 1 of whom shall be a faculty or staff member specializing in art or architecture at a public institution of higher education in the commonwealth. All guidelines, policies and regulations for the MPAP shall be approved by the commission.

(e) In selecting art installations for construction or renovation projects, the commission shall give preference to artists residing in the commonwealth.

(f) The commonwealth shall have sole ownership of all artwork acquired through the MPAP, subject to exceptions approved by the commission. The artist shall retain copyright of the artwork unless otherwise noted in the contract for the work.
